

Knoxville Multi-Use Stadium Advertisement for Prequalification to Bid

Denark Construction Inc. was selected as the Construction Manager/General Contractor (CM/GC) for the following Project: Knoxville Multi-Use Stadium

Based on the project requirements as outlined in the CM Agreement between the Owner (RR Land, LLC) and Denark Construction, all potential bidders **are required to be prequalified** and approved by Denark and the Owner in order to be eligible to bid.

Important Notes:

1. All interested bidders need to fully complete the prequalification package, which includes the AIA A305 document along with its exhibits, the Denark Subcontractor Prequalification form and the Supplemental information (Attachment E) applicable to this project.
2. All interested bidders need to be aware that Denark and the Owner have committed to conduct good faith efforts to **secure meaningful DBE participation** on this project.

The prequalification package is available at:

1. www.denark.com/subcontractors
2. From the Knoxville Area Urban League office at 1514 E. 5th Avenue, Knoxville, TN 37917 and/or by phone at 865-524-5511

3. DCI will also post at the following:

Location	Contact	E-mail
Builder's Exchange	Heather Lowery	heather@bxtn.org
Construct Connect	Elizabeth Delaney	elizabeth.delaney@constructconnect.com
Construct Connect	Kenneth Guy	kenneth.guy@constructconnect.com
Dodge Data & Analytics	Cindy Searcy	cindy.searcy@construction.com
Dodge Data & Analytics	Davina Jacobs	davina.jacobs@construction.com

All forms must be completed and returned to estimating@denark.com with “Knoxville Multi-Use Stadium Prequalification Submission” in the subject line. If you would like the fillable PDF of the prequalification package, please contact Heather Linhart at our main office, and we will make every effort to accommodate as quickly as possible.

In order to meet the Project’s timeline, please note:

1. **Deadline for Prequalification:** In order for your prequalification package to be reviewed with ample time prior to the bid invitation, prequalification forms for this project must be received by Denark Construction *no later than November 11, 2022*. Any subcontractor that needs more time should reach out to the below staff members at Denark, time extensions will be reviewed on an individual basis.
2. **Bidding Process:** After receipt of all prequalification packages, Denark will share with all interested Subcontractors/Suppliers a projected bidding schedule, outlining the bidding process, the bid security requirements, and the actual Denark-provided documents. Plans and specifications will be available at the Builders Exchange or via the sharefile link provided in the Bid Package information.
3. **Bid Packages:** Although not yet fully identified, they may include, but are not be limited to: Earthwork, Utilities, Paving, Landscaping, Playing Field, Concrete, Masonry, Decorative Metal Fences/Gates, Structural and Miscellaneous Steel, Timber Construction, Waterproofing/Caulking, Metal Panels, Roofing, Storefront, Acoustical Ceilings, Drywall, Flooring, Painting, General Trades, Stadium Seating, Sports Equipment, Lockers, Food Service Equipment, Fire Protection, Mechanical, Electrical, Field Lighting, Specialty Lighting, IT/AV/Communications, and Scoreboards/Video Boards.
